**Re: *Culley v. Edwards Manufacturing Company*  
Index #: 7:20-cv-07346-NSR  
Request to Adjourn 12/15/2022 Status Conference**

Dear Judge Roman:

I represent defendant Edwards Manufacturing Company (“Defendant” or “Edwards”) in the above-referenced action.

Pursuant to Part 1.E. of Your Honor’s Individual Practices, I write on behalf of both parties to jointly (and at the direction of Magistrate Judge Krause) to request an adjournment of the post-discovery status conference currently scheduled to take place on Thursday, December 15, 2022 at 10:00am (ECF No. 39). The parties seek to reschedule this conference because Judge Krause has extended the deadline for the completion of expert discovery to Monday, February 20, 2023, and the parties anticipate working through expert discovery and depositions through that time. The parties propose that the conference be rescheduled for one of the following days:

- Thursday, March 9, 2023
- Friday, March 10, 2023
- Thursday, March 16, 2023
- Friday, March 17, 2023

This is the second such request made by counsel for an adjournment of this post-discovery conference (both at the suggestion of Judge Krause). The Court granted the prior request.
